

Kindergarten Enrichment

(B.A.S.E) On-site child care for half-day and $\frac{3}{4}$ -day Kindergarteners

What Is Kindergarten Enrichment?

Kindergarten enrichment is a B.A.S.E program that provides education and play for students who need full day care but have the opportunity to take a break from a larger standard classroom. These students get to work in small group sizes and develop their knowledge through a play-based focus and social interactions on smaller scales. While Enrichment teachers will teach curriculum that align with the homeroom kindergarten class, they have the flexibility to dive into creative curriculum and allow students to steer the course of what they want to explore.

Cost:

\$75 Yearly Enrollment Fee (\$100 for families of 2 or more children, Enrichment families will also have access to our Full Day programs in B.A.S.E during breaks with this Enrollment fee)
